REGIONAL MARINE POLLUTION EMERGENCY RESPONSE CENTRE FOR THE  
MEDITERRANEAN SEA (REMPEC)**

---

Sixteenth Meeting of the Focal Points of the Regional  
Marine Pollution Emergency Response Centre for the  
Mediterranean Sea (REMPEC)

REMPEC/WG.61/INF.3  
04 April 2025  
Original: English

Sliema, Malta, 13-15 May 2025

**Agenda Item 2: Progress Report on REMPEC activities since the Fifteenth Meeting of the Focal Points of REMPEC**

**List of updated Focal Points and Designated Representatives**

For environmental and cost-saving reasons, this document will not be printed and is made available in electronic format only. Delegates are encouraged to consult the document in its electronic format and limit printing.

### **Note by the Secretariat**

This document presents the updated List of Focal Points and Designated Representatives, as nominated by Contracting Parties, as of 31 March 2025.

## **Background**

1 According to Article 7 on dissemination and exchange of information of the Prevention and Emergency Protocol, 2002 to the Barcelona Convention, each Party inter alia undertakes to disseminate to the other Parties information concerning the competent national authorities responsible for prevention of, preparedness for and response to marine pollution. Accordingly, the responsibilities of the REMPEC Focal Points have been defined by Decision IG 17.33 adopted during the 15th Ordinary Meeting of the Contracting Parties to the Barcelona Convention (Spain, January 2008).

2 The Secretariat issues a Circular to all Contracting Parties at the beginning of each year in order to review and update their nominations accordingly.

3 The List of updated Focal Points and Designated Representatives as of 31 March 2025, is presented in the Annex to the present document.

## **Actions requested by the Meeting**

4 **The Meeting is invited to:**

- .1 **take note** of the information provided in the present document; and
- .2 **comment** as deemed appropriate.
